GALA EASTER EGG HUNT

Hurstbourne Acres' 15th Annual Easter Egg Hunt will be held on Saturday, April 3rd at 11am at Welch Park. Hundreds of eggs will be hidden by age group. Don't be late; it WILL be over by 11:10 am.

Marty Dunn, The Easter Egg Commissioner

Next City Meeting:

Thursday, March 11

City Hall

7:30 pm

A large pot hole (5' x 3½') was repaired on Bunsen Parkway. Please remember to look for the missing "Blowing Tree" sign on Craig's List, eBay and at yard sales and flea markets. If you see the sign, call Chief Redman. I am still offering a reward for the arrest and conviction of the criminals responsible for the theft of this sign. A new "Blowing Tree" sign has been ordered and will be installed shortly.

Jim Lynch, Commissioner of Streets & Lights

Census 2010

The 2010 Census will be delivered to your home beginning this month. It is very important to our city that you take the time to fill it out. The new form is shorter than in the past and should take about 10 minutes to fill out. The data collected is used to determine the funding made available to our community so please take the time to fill it out.

New Neighbor Information Needed

If you have a new neighbor please give me a call at 502 491-6014 or email me (tc rennha@insightbb.com) with their name and address. This will give me the opportunity to stop by and give them our Hurstbourne Acres City information brochure.

Police Department Accreditation Presentation

Michael Bischoff, along with Brad Silveria and Dennis Comer, made a presentation recognizing and honoring the recent accreditation of the Police Department for the City of Hurstbourne Acres.

Minutes for Meeting on January 14, 2010

Commissioner Dunn made a motion to accept the minutes as published. The motion was seconded by Commissioner Hardin and passed unanimously.

Treasurer's Report

John Price read the treasurer's report for January, 2010 and copies were made available for all people in attendance. Commissioner Dunn then made a motion to approve as read, which was seconded by Commissioner Lynch. The motion passed without opposition.

Warrants

The warrants for January, 2010 were then read by John Price, and copies were made available for all people in

attendance. After a discussion, Commissioner Dunn made a motion to approve payment of the warrants, which was seconded by Commissioner Lynch and passed unopposed.

Police Report

Police Chief Chris Redman reported as follows:
-255 police hours from 1/14/10 to 2/11/10,
-44 hours of training,
-4 citations, 1 arrest,
-2 reports,
-15 traffic stops,
-5 accidents,
-6 motorist assists,
-16 dispatched runs,
-14 suspicious persons,
-211 police & public contacts,
-Working on a traffic grant.

Attorney's Report

Attorney Emery confirmed that letters were mailed out regarding the remaining unpaid property taxes. He also answered a question from Commissioner Lynch about taxes due the city from cable service.

COMMITTEE REPORTS

Police

Commissioner Dunn again expressed his thanks to DirtWorks for the job done during the last snow event. He also provided additional information concerning why certain road treatments were used.

Roads and Lighting

Commissioner Lynch confirmed that a new pole and sign for Blowing Tree has been ordered. There was also mention of signs on Hurstbourne Lane being vandalized by graffiti.

Parks Commissioner

Commissioner Hardin presented an initial report about the possible relocation of the City Town Hall to the main subdivision. It was suggested that the land on which construction of a water tower was once being viewed is in consideration.

Sanitation

Commissioner Renninger reported on a recent problem with a resident's large trash pile. It was confirmed that Rumpke will only take one large item from a resident's house each Friday. There was a complaint on Tuesday about missed recycling bin items. Once Rumpke was made aware, they were quick to pickup. Concerning early trash pickup complaints, Police Chief Redman and Sergeant Skaggs have copies of the pertinent ordinance (no pickup between 10:00 pm and 6:00 am), and are handling the situation. In other news, two new neighbors have received the welcome brochures, the safety grant needs signing by the Mayor, and after an evaluation of putting cameras in the city, it was determined that they would not be cost effective.

OLD BUSINESS

Nunnlea Generator

There was further discussion about contributing \$2500 for the purchase and installation of a natural gas generator at Nunnlea for use by residents during power outages. Due to current consideration about moving the City Hall to another location, a motion was made by Commissioner Dunn to table the decision, which was seconded by Commissioner Hardin. The motion passed with one opposed, Commissioner Lynch.

Compensatory Time

The issue of the lack of a Standard Operating Procedure has been raised regarding the compensatory time for the Police Chief Redman and Sergeant Skaggs. After Attorney Emery provided his recommendations to the Commission, Mayor Fore advised that the situation would be resolved in an Executive Session next month.

There being no further business or discussion, the meeting was adjourned.

Respectfully submitted,
Michael Bolten, City Clerk
