Annual City-Wide Yard Sale Saturday, June 12, 8a – 2p

Start sorting & pricing—and get ready to shop, too. You can count on prominent advertising, parking restricted to one side of each street—and lots of wheeling & dealing.

As Sanitation Commissioner, I have been asked to explore our sanitation needs. Be assured that the City will not be doing away with our back-door pickup service. I feel the back-door service is a nice perk for anyone who is not able to take out their own trash and for those of us who on occasion seem to forget to take it out. Our once-per-week yard waste service will also remain unchanged.

Although the City pays for recycling service at all homes, only about 40% of the homes take advantage of this part of the sanitation service. If you were supplied with a rolling can for curbside recycling but collection was only every other week, would this be adequate for your needs? By going to this method it would be better on our streets because the large recycle truck would be in our neighborhood less and this would also mean less pollution of our air. The cost would reduce by \$2318.40 but the saving to our environment would be much greater than the monetary savings.

At this time our solid-waste pickup is twice a week. Could this be cut back to once a week? If so, it would have an environmental impact on our city due to less trucks in the city. The monetary impact would be \$12,254.40 per year.

I have already heard from several residents but would like to have more input as our sanitation contract is up for renewal. Please e-mail your response to me at tcrennha@insightbb.com.

Commissioner Teresa Renninger

Next City Meeting:

Thursday, May 13
City Hall 7:30 pm

Check HurstbourneAcres.org to see photos of graffiti that had to be removed from the park area. There is a \$100 reward for information leading to the arrest and conviction of the slob who defaced our City property.

PRECINCT CHANGE

**Our Precinct, E167, has a new voting location:
Oxmoor Country Club
9000 Limehouse Lane
See you Tuesday, May 18!**

MSD has failed to repair the sink hole on the corner of Hurstbourne Parkway and Hurstbourne Circle, which was reported on March 29. I have called them again!

The light globe on Old Hurstbourne Lane and Wesley was blown loose and has been readjusted and tightened.

I met with the blacktop company about repairs to streets, and the work was completed this week.

REWARD OFFERED for the arrest and conviction of the person responsible for the theft of the entire Blowing Tree sign and its post. Please report any sightings of the Blowing Tree sign at yard sales, flea markets, etc. This is getting to be an expensive project to keep this sign up.

I now have a website in order to receive e-mails. I still like the phone for the personal response I can give to city problems quickly (491-8446). My e-mail is lynchauction@insightbb.com. Whichever method you use is okay—e-mail or phone.

Commissioner Jim Lynch

YOUR YOUNG WILLING NEIGHBORS

Taylor Endler 14yo Wesley 454-5447
Experienced Babysitter (infants & older)
water plants & tend dogs & watch your house

Sydney Guthrie 15yo Cardwell
Babysitter evenings & weekends now; summer days

Teens: Contact Sally Price (491-5627 or ssprice109@lycos.com) to have your name added to this list. This listing is an attempt to connect homeowners with teens who might be able to assist them; it is not an endorsement of any individual's ability.

Minutes

April 8, 2010

The regular meeting of the City Commission was called to order at 7:30 PM on April 8, 2010 at the meeting room of the Hurstbourne Acres City Hall/Police Department, 1940 S. Hurstbourne Parkway, Louisville, Kentucky, with the following persons present:

Sean Fore, Mayor
Marty Dunn, Commissioner
Brent O. Hardin, Commissioner
Jim Lynch, Commissioner
Teresa Renninger, Commissioner
John Price, Treasurer
Stephen Emery, Attorney
Chris Redman, Police Chief
Michael Bolten, City Clerk
Charles Pennington, Resident
Debbie Bates, Resident
Frank Bates, Resident
Frank Kamenish, Resident
Leslie Dunn, Resident
Antje Simunac, Resident
Ora Lee Osborne, Resident
Michael Black, Resident
Bert Myers, Resident
Teresa Myers, Resident
Jeri Heck, Resident
Pearlie Woods, Resident
Sally Price, Resident
Donna Nichols, Resident
Brent Renninger, Resident
Ron Walter, Resident

Minutes for Meeting on March 11, 2010

Commissioner Dunn made a motion to accept the minutes as published. The motion was seconded by Commissioner Lynch and passed unanimously.

Treasurer's Report

John Price read the treasurer's report for March, 2010 and copies were made available for all people in attendance. Commissioner Dunn then made a motion to approve as read, which was seconded by Commissioner Lynch. The motion passed without opposition.

Warrants

The warrants for March, 2010 were then read by John Price, and copies were made available for all people in attendance. Commissioner Dunn made a motion to approve payment of the warrants, which was seconded by Commissioner Hardin and passed unanimously.

Attorney's Report

City Attorney Stephen Emery reported that law suits have been filed on behalf of the city to collect the remaining outstanding property taxes. After a question was raised by a resident at the meeting, the attorney advised that the city has heard nothing further about the challenges made to the 'noise' ordinance.

Police Report

Police Chief Chris Redman reported as follows:
-265 police hours from 3/11/10 to 4/8/10,
-2 citations, 1 arrest,
-3 criminal reports,
-2 accident reports,
-11 traffic stops,

- 9 suspicious persons,
- 238 police & public contacts,

In other news, the new police vehicle is now in service. It was noted by Police Commissioner Dunn that state funds received by the city paid for this vehicle. The city is still awaiting written permission to display Block Watch signs requested by the apartment complexes. Once this has been furnished, the signs will be ordered and installed. The Police Department has applied for several grants. Commissioner Renninger reported that the city has been notified that the Safety Grant, in relation to the Police Department accreditation, has been approved in the amount of \$1626.18.

COMMITTEE REPORTS

Police

Commissioner Dunn reported that the Easter Egg Hunt was again a success this year, in spite of the weather conditions. There were approximately 60 participants.

Sanitation

Commissioner Renninger reported on the three proposed options or changes to the upcoming sanitation contract with Rumpke. The options affect the number of times per week for collection of garbage and/or the frequency of recycling pickup. The city currently pays \$26.25 per month for each of the 184 households. It was suggested that the three options be outlined in the city newsletter for feedback from the residents.

Roads and Lighting

Commissioner Lynch reported that a light globe on Blowing Tree as well as on Hurstbourne Lane needs replacing. The city received a letter from the party responsible for the repair of the pothole on Bunsen Way. Commissioner Dunn mentioned that the globe on the 3rd light pole on Blowing Tree also needs repair.

Parks Commissioner

Commissioner Hardin advised that the Port-A-Let is back in the park. The grass is being cut and the new contract will be reviewed and signed shortly. Graffiti has been removed from the park, and a new park sign is being made. Tomorrow at 8:00 AM, Commissioner Hardin is meeting with a landscaper to make recommendations for landscaping around the service shed. At 9:00 AM tomorrow, he is meeting with LG&E to discuss electrical service to the pole for the park light. MSD has been contacted about the cleanup of the ditch in the retention basin. The city-wide yard sale will be held on 6/12/10 this year. Lastly, it was mentioned that a tree along the wall on Hurstbourne Lane is dead and needs to be removed.

OLD BUSINESS

1st Reading of Ad Valorem Tax Ordinance

After discussing the suggested tax rate for the upcoming fiscal year, it was agreed that the current \$.14/per \$100 of valuation would remain. Commissioner Dunn then made a motion to have the 1st reading of Ordinance #1, Series 2010, establishing the property tax rate for the fiscal year beginning 7/1/10. The motion was seconded by Commissioner Hardin which passed unopposed. Mayor Fore then completed the reading.

1st Reading of Budget Ordinance

After Mayor Fore went over the preliminary figures and the subsequent discussion ended, Commissioner Dunn made a motion to have the 1st reading of Ordinance #2, Series 2010, establishing the budget for the fiscal year beginning 7/1/10. The motion was seconded by Commissioner Hardin which

passed unanimously. The reading was then completed by Mayor Fore.

Political Info in Hurstbourne Acres Post

Metro Council Representative Jon Ackerson has requested that we allow political ads/information to be included in, or as a separate flyer, with the Hurstbourne Acres Post. After a discussion, the Commission rejected the idea, stating that the Hurstbourne Acres Post is designed as a politically neutral neighborhood city newsletter. The Commission did agree to include, on a monthly basis, contact information for Representative Jon Ackerson along with the other relevant politicians including our State Senator and State Representative.

Jefferson County League of Cities Cable Commission

Mayor Fore reported on the meeting he attended on 3/17/10. Prior to 2005, the Jefferson County League of Cities Cable Commission had control over the funds generated by the tax. In 2005, they signed a hold-harmless agreement with the state allowing the state to administer the funds.

The City of Hurstbourne Acres receives a check on a monthly basis in the amount of \$620.18 for tax on cable service. The tax is calculated as a percentage of the basic cable rate that residents pay across the state. Based on the agreement, the amount received by Hurstbourne Acres, like the other cities, is the same the city received in 2005 irrespective of the change in the number of residents in the city. It was recommended by Mayor Fore that we remain active in the current organization since AT&T, who is entering the market here, is fighting to exclude the tax altogether which would eventually eliminate the monthly check Hurstbourne Acres receives. The next meeting will be at the Anchorage City Hall on 5/19/10 at 4:30 pm.

There being no further business or discussion, the regular meeting was recessed to allow for continuation of an Executive Session from last month.

Respectfully submitted,
Michael Bolten, City Clerk
