Next City Meeting:

Thursday, November 11
City Hall 7:30 pm

Thank You

I would like to take this opportunity to thank all of the residents who voted. I will continue to work hard to keep Hurstbourne Acres the best fifth-class city that it can be. Please come to our meetings. It was great to see such a large crowd at our Candidates Forum.

Teresa Renninger

I would like to thank everyone in our neighborhood for their support and trust as one of their next commissioners. My family and I look forward to making a positive difference in our community. Please join us each month at our meetings so we can make this an exciting year. Thank you.

Dan Kuster and Family

It's a relief on so many levels that the election is over, and I look forward to everyone's guidance and helpful experience as I join the Hurstbourne Acres team. The confidence and support you voters have shown really means a lot to me.

Sally Price

Recycle Dates

for the next two months:

November 9 and 23

December 7 and 21

(alternate Tuesdays)

Please keep up the good work; our recycling program just seems to keep growing.

Teresa Renninger

LEAF PICKUP

The second leaf pickup will be on Nov 13, 14, 15
(Sat/Sun/Mon).

Lots of leaves now--please do not rake or blow the leaves onto the asphalt; they just get blown all over.

With SNOW FLURRIES in the forecast, please Do Not Park In The Street with a forecast of measurable snow.

Their have been some crimes in the East End committed on cars unlocked in driveways. ALWAYS LOCK YOUR CAR AT NIGHT. Our police department continues to patrol the whole city most nights.

Marty Dunn
Leaf Commissioner

Entrance sign on Hurstbourne & Taylorsville Rd. light is not working. Landscape Lighting said there was no electricity. Called LG&E on Oct. 5th & 6th, again not working. LG&E called again on Nov. 3rd. Hopefully they will be working when you read this.

1901 Westly resident called about black top crumbling in her driveway. Had an Email from another Westly resident about lack of drainage in her driveway in front of house during rain.

The bar for the sign at Bristol & Westly was replaced by an independent contractor at the cost of \$50.00 which was a savings over the usual sign company. This was the same sign which was stolen and recovered by the Police Dept.

Please report it if you see any persons messing with the city signs to Chief Redman or call 911. Thanks. [sic]

Jim Lynch
Commissioner of Signs & Lights

Think About It

If you're out strolling in the dark, wear reflective clothing--for your own safety and the safety of drivers.

Treasurer's Report - 10/14/10

Grand Total Cash & Investments	\$862,787.88
Warrants (bills paid)	28,488.61
Property Taxes Rec'd	200 of 205

Minutes

October 14, 2010

The regular meeting of the City Commission was called to order at 7:30 PM on October 14, 2010 at the meeting room of the Hurstbourne Acres City Hall/Police Department, 1940 S. Hurstbourne Parkway, Louisville, Kentucky, with the following persons present:

Sean Fore, Mayor
Marty Dunn, Commissioner
Brent O. Hardin, Commissioner
Jim Lynch, Commissioner
Teresa Renninger, Commissioner
John Price, Treasurer
Steve Emery, Attorney
Chris Redman, Police Chief
Michael Bolten, City Clerk
Margaret Bode, Resident
Jason Tretter, Resident
Charles Pennington, Resident
Norma Pennington, Resident
Lenny Miles, Resident
Louie B. Hamilton, Resident
Paul Schneider, Resident
Linda Schneider, Resident
Greg Winebrenner, Resident
Donna Nichols, Resident
Janet Baker, Resident
Ora Lee Osborne, Resident
Karen Kuster, Resident
Dan Kuster, Resident
Margaret Bode, Resident
Frank Kamenish, Resident
Ron Walter, Resident
Pearlie Woods, Resident
Jeri Heck, Resident
Sally Price, Resident
Leslie Dunn, Resident
Brent Renninger, Resident

Minutes for Meeting on September 9, 2010

After discussion, Commissioner Dunn made a motion to accept the minutes as published with one correction. Under 'Roads & Lighting', the amount shown for the repainting of stop signs and pavement signs should read \$1925 in lieu of \$1350. The motion was seconded by Commissioner Lynch and passed unanimously.

Treasurer's Report

John Price read the treasurer's report for September, 2010 and copies were made available for all people in attendance. Commissioner Dunn made a motion to approve as read, which was seconded by Commissioner Lynch. The motion passed without opposition. It was agreed that the totals from the Treasurer's Report will be included in future publications of the Hurstbourne Acres Post.

Warrants

The warrants for September, 2010 were then read by John Price, and copies were made available for all people in attendance. After discussion about the amount paid to the artist at the city picnic, it was agreed that he should be compensated another \$50 for the overtime he worked. Commissioner Dunn made a motion to approve payment of the warrants, which was seconded by Commissioner Lynch. The warrants were approved unopposed. It was agreed that the totals from the Warrants will be included in future publications of the Hurstbourne Acres Post.

Alcohol Ordinance?

In answer to a question from a resident at the meeting about the city's policy regarding alcohol consumption at the city park, it was reported that the city does not have an ordinance addressing this issue. Mayor Fore advised that the city would take under consideration the adoption of an ordinance restricting or prohibiting the consumption of alcohol in the park.

Police Report

Police Chief Chris Redman reported as follows:

- 410 police hours from 9/9/10 to 10/14/10,
- 2 arrests,
- 4 citations,
- 7 reports,
- 2 accidents,
- 2 ongoing investigations,
- 13 suspicious persons,
- 695 police/public contacts

In other news, Police Chief Redman met with 2 minority groups in our city to discuss better ways our Police Department can help with crime concerns. The in-car computers should be operational by the end of this month. A question regarding the Block Watch program was raised by Commissioner Lynch, specifically, where we stand on continuing the program inclusive of the apartment complexes. Police Chief Redman confirmed that the city has approval from the apartments to install the Block Watch signs there, which still needs to be done. Mayor Fore mentioned that it has been a

challenge getting people involved, but the city continues to support and promote the program.

Attorney's Report

Attorney Steve Emery is working with Camden Apartments to work out some of the foot traffic problems and deed restrictions.

COMMITTEE REPORTS

Police

After receiving a suggestion from a resident, Commissioner Dunn confirmed that the Police Department has agreed to include the street block addresses on future Crime Reports. In other news, Mayor Fore received 2 letters from the Office of the Governor, Department of Kentucky Homeland Security, stating that Hurstbourne Acres has been selected for specific funding, one in the amount of \$19,400 and another in the amount of \$10,400. It was also noted that the in-car computers and radios were paid for from grants awarded to the city thanks to the work of Commissioner Renninger and Police Sergeant Skaggs.

Roads and Lighting

Commissioner Lynch reported on the following:

- Several branches on the trees behind the wall behind Taylorhurst have been cut back,
- Geese are still a concern in the park & retention basin,
- LG&E has been contacted about the light at Hurstbourne Lane & Taylorsville Road,
- The recent Drug Drop program was a success,
- Downed limb on Cardwell Way and the park have been cut up and removed,
- The chainsaw owned by the city is available for use by residents. They should contact the Mayor for further details.

Parks Commissioner

Commissioner Hardin reported that the Port-A-Let in the park will be removed for the winter at the end of November. In other news, he recommended that the city provide a large dumpster for residents for disposal of old paint cans, anti-freeze, general household chemicals, etc. A resident at the meeting also expressed his appreciation for the removal of graffiti in the park and playground equipment. One area of the playground equipment that still needs graffiti removal is the tube slide.

Sanitation

Commissioner Renninger advised that she has talked to the dentist at the corner of Hurstbourne Parkway and Hurstbourne Lane concerning the garbage cans and the issue has been resolved. An elderly resident on Woodfield has been unable to get the rolling can out to the street. Rumpke has since contacted this resident and provided him with a regular can so that he can receive backdoor service. The rolling can will be kept out of sight. It was reported that there is now

a permanent worker on the Tuesday pickup which will help with consistency of service. Residents who wish to get rid of their old recycling bins can place a note on the bin and set it out front. If a resident has a large item to dispose of, Rumpke will take it. However, it was suggested that they call Rumpke and let them know ahead of time. There are some items that Rumpke cannot take, such as refrigerators with refrigerant, so it is best to call Rumpke before setting out for pickup.

OLD BUSINESS

Leaf Removal

The leaf pickup schedule will be October 30, 31, Nov 1 (Sat/Sun/Mon), November 13, 14, 15 (Sat/Sun/Mon), & December 4, 5, 6 (Sat/Sun/Mon). In the event of rain, the leaves will be picked up the following day.

Snow Removal

Commissioner Dunn is working on the Snow Removal Contract for this winter. It will be available next month for approval and signing.

Campaign Forum

The forum to allow candidates for the office of Mayor and Commissioner to present their positions on the issues facing this city, will be held this upcoming Sunday, 10/17/10, at 5:00 pm here at Nunnlea. Each of the 11 candidates will have 5 minutes, which includes time for questions and answers. It was noted by Commissioner Hardin that some of the campaign signs have 'disappeared', and that any unauthorized removal, destruction, or theft of a sign is considered a crime.

Reflective Clothing

From a recommendation of a resident at the meeting, Mayor Fore has asked that a comment be made in the next newsletter that residents walking in our city later at night wear reflective clothing for their safety and the safety of drivers.

Land for Sidewalk

Commissioner Lynch requested an update on the strip of land that runs from Bunsen Way to Hurstbourne Lane. It was suggested that this land could be used for the construction of a sidewalk. Mayor Fore said they he would contact the owner again and try to obtain a price range for the purchase of the land. He will present this at the November meeting.

There being no further business or discussion, the meeting was adjourned.

Respectfully submitted,
Michael Bolten, City Clerk

YOUNG NEIGHBORS OFFERING SERVICES

- Zach Hamilton 15yo Woodfield
Leaf raking/dog walking/odd jobs.
