## Parks and Recreation Troy Eskridge

Normally, summer is the busy season for me. Unfortunately, nothing about this summer has been normal. With school starting back with “at home” learning, it is hard for me to see a City of Hurstbourne Acres picnic occurring this September. It seems like we have three options. First, we could do a traditional picnic once social distancing guidelines have been lifted. Secondly, we could have an alternate activity that could be done within the parameters of the State’s coronavirus mandates. Or finally, we could scratch the event for this year. In order to hear your thoughts and wishes, I am going to send out an anonymous survey through Reach Alert after the August city meeting. If you have not signed up for Reach Alert, it is really easy at this address- <https://www.reachalert.com/> or you can call me at (502)690-1592 and I will walk you through the process. Hope to hear from you soon

### Summer Reminders

- 1. Stay Hydrated**  
Drink plenty of water whenever you are in the hot summer sun.
- 2. Use sunscreen and wear hats.**  
We all need to protect our skin from the harsh rays of the sun and wearing a hat will keep your head from getting sun burnt.
- 3. Protect your Eyes**  
Wearing sunglasses can protect your eyes from harmful UV rays and preserve your vision.
- 4. Wear the right stuff**  
Wearing light colored and loose fitting clothes will help you feel cooler and more comfortable.
- 5. Keep doors locked when working outside.**  
When working in the front of the house make sure the back is locked up
- 6. Apply Bug Spray**  
If you spend a lot of time outdoors, use mosquito repellent to help reduce the risk of getting bit by a mosquito.
- 7. Don’t forget your pets.**  
They also need to have plenty of water when they are outside playing.

**As always, if you See Something, Say Something**

## Police Chief Steve Griffin

Constant change seems to be the way of things these days. Whether it is the latest political news frenzy, the latest protests, or the latest coronavirus policies, things seem to be changing daily. With constant changes, people often become frustrated and angry which may lead to imprudent reactions on their part. Whether it is us that become frustrated or we are confronted by someone else’s frustration, tempers can flare and unfortunate events can occur. Please

keep this in mind as you go about your daily business. Do your best to control your own frustrations and remember that we are all going through difficult times. If someone else is angry or frustrated it is often best to walk away and let it pass if possible. Any Police Officer in the world can tell you dozens of stories about minor incidents that escalated into major problems because of people who refused to control their frustration and anger. There are things worth “fighting” for but always remember the old adages “Discretion is the Better Part of Valor” and “Choose you Battles Wisely”.

*As always, if you see something, say something.*

## **Streets and Lights**

**Donna Nichols**

Well, at our last Meeting, my camera was working. I could hear the others, but they could NOT hear me! Hopefully, I have it fixed, and all will be working at our August Meeting!

I am still trying to reach the person who is supposed to have the answer to the rock/mud problem at the intersection of Hurstbourne Ln. and Taylorsville Rd. It is definitely the State and not MSD. He seems to never be in his office and I have left numerous VM messages. I do not give up easily and will keep trying until I get an answer.

The shrubs surrounding our City Sign at Bunsen Way need to be trimmed and I have made Commissioner Eskridge aware. The bushes at Cardwell Way were hanging over our City sign and Commissioner Eskridge has taken care of this.

Lastly, many thanks to our Police Officers for a MUCH quieter 4th of July! I heard firecrackers in the distance, but none in our City proper, and I heard none after 10 PM, which I feel certain was a blessing to all of our residents!

### *Yard Waste Reminder*

Recently, a concern was raised about yard waste being deposited on non-Hurstbourne Acres property adjacent to our neighborhood. Our liberal waste removal program should prevent this happening by any of our citizens; however, here is the policy for your reference:

“Yard Waste” shall mean...those materials suitable for composting, and shall specifically include grass clippings, leaves, flowers and vegetable plants, brush, branches, limbs, and shrubbery trimmings. Limbs over six inches in diameter are NOT included. Christmas trees are to be collected, but shall not contain any decorations or stands.

Collection of Yard Waste as defined above, shall be contained in 32 gal cans or less, or an Ecotech toter, or certified compostable bags meeting ASTM D6400 standards by regulation. Ecotech will not be able to pick up yard waste that does not meet the specifications listed above and herein under normal scheduled pick up. Bundled yard waste materials cannot exceed four (4) feet in length nor 50 pounds in weight. If you have an unusual situation when you are unable to meet the waste pickup specifications listed above, you may contact Ecotech (502) 935-1130 with a request for pick up and an estimate of the additional charges (if any) that will apply to you.

Our Yard Waste pickup day is always Monday except on a holiday when it will be adjusted accordingly.

All pick up dates and holidays are listed on the City of Hurstbourne Acres website home page. I hope this information helps and as always you may contact me at [CMBOHNENKAMP@gmail.com](mailto:CMBOHNENKAMP@gmail.com) or text or call (502)724-0157. It has been a pleasure serving you and our community in this capacity for the past two years and I look forward to continued service.

• Arrests	2
• Traffic stops	7
• Citations issued	4
• Warnings issued	3
• Contacts with other agencies	2
• House watches	2
• Courtesy notices	0
• Directed patrols	0
• Calls for service	36
• License plates confiscated	2
• Motorists assists	3
• Funeral watches	0

**June Highlights**

- Department continues to utilize revised operating procedures during the COVID-19 situation.
- All officers completed Kentucky League of Cities recommended monthly training.
- The 5 offense reports were for criminal possession of a forged instrument at Speedway, shoplifting at Vision First, shoplifting at Shoe Carnival, shoplifting at Liquor Barn, and a criminal mischief at Huntington Shopping Center,
- -ABC licenses were renewed for businesses selling alcoholic beverages.
- Licenses were not renewed for two businesses and one license is still outstanding.

- All Golden Watch residents checked on weekly.
- All businesses in shopping centers checked on daily.
- Explorer and Taurus are in good working order.

**Attorney’s Report**

Attorney Baker advised that the hearing date for the sidewalk project is still scheduled for August. Regarding the business on Taylorsville Road (Group Home), Attorney Baker is still in the process of pursuing additional information.

**COMMITTEE REPORT**

**Parks**

Commissioner Eskridge reported that he is still unable to confirm a definite date for the city-wide yard sale, the city picnic, or the reopening of the playground/pavilion. Louisville Metro requirements will continue to be monitored. Once Commissioner Eskridge has a plan in place, it will be discussed with Mayor McAllister before proceeding.

**Sanitation**

Commissioner Bohnenkamp had a request from a resident about disposing of a mattress and box springs. Ecotech should be contacted first before setting out large items. There was no other news.

**Streets**

Commissioner Nichols once again brought up the condition of the section of property by the car wash at Taylorsville Road and Hurstbourne Lane. It was determined that the highway department, not MSD, needs to address the issue.

Also discussed was the fireworks in the City around July 4.

**Police**

Commissioner Renninger reported that there were 6 businesses that renewed their ABC licenses.

**Old/New Business**

School at Pier One Location - Mayor McAllister advised that the owner of the property at the old Pier One store was considering, among other things, leasing it out as a school. The school, as imagined, would have an outdoor learning center. More information is required. Mayor McAllister did confirm that if a restaurant was being considered, it could not have a drive-through.

There being no further business or discussion, the meeting was adjourned.

Respectfully Submitted,  
Michael Bolten, Clerk
