Holiday Party - Our annual city holiday party is scheduled for Saturday December 17th at the historic Nunnlea House. We will have pictures with Santa, desserts, appetizers, and more. Full details will be in next month's post.

Leaf Pick-up - The leaf pick-up schedule is below. Please remember to have your leaves raked to the edge of the street (within 5-7 feet) and to remove any sticks, limbs, or debris. There will be three pick up windows that are two weeks apart. Please have your leaves ready on Monday or Tuesday of the pick-up window to ensure they get picked up. Weather or equipment problems could delay pick up. A reach alert will be sent out if there are major delays.

Window #1 starts Monday November 7th
Window #2 starts Monday November 21st
Window #3 starts Monday December 5th

Candidate Forum Video - If you missed the candidate forum, there is no need to worry! We videotaped it and added it to YouTube. You can find it by searching *2022 City of Hurstbourne Acres* in YouTube. Don't add other words, like "Candidate Forum" because it will pull videos from other cities.

Disclaimer- I just added the raw video and did not edit in any way so there wouldn't be any bias.

Police

Chief Steve Griffin

We have had some complaints about a few ordinance violations recently. Just as a reminder, if you will be doing some home improvements on your property, there are city ordinances that outline what is acceptable when it comes to debris removal. As an example, construction dumpsters cannot be placed on any roadway in the city. These dumpsters must be placed on your property from the time they are dropped off until they are picked up. If there are questions, all city ordinances can be viewed on the city website at

www.hurstbourneacres.org. All Louisville Metro ordinances are also in effect and these ordinances can be viewed at

<https://louisvilleky.gov/government/codes-regulations/local-ordinances>.

It should also be noted that ordinance violations are a civil and not a criminal matter therefore the police department cannot enforce ordinance violations. I have been tasked by the Mayor with the additional responsibility of Code Enforcement. If a complaint of an ordinance violation is received, I will investigate to see if the violation exists and if so, I will then notify the resident/owner of the violation. Notification will be made either verbally or with a written Courtesy Notice of Violation. The ultimate goal of the city is to resolve these issues through voluntary compliance, if possible.

If the matter is not resolved voluntarily in a timely manner, a written Citation of Violation may be issued at the discretion of the Mayor/City Commission. The Citation of Violation will outline the issue, list what must be done to settle the issue, list the monetary fine that has been imposed on the violator, and will outline the process to appeal the issue to the City Commission. If the issue is not resolved at this point, the matter would need to be referred to the Jefferson County court system for adjudication/mediation. Obviously, taking any matter to civil court is both time consuming and expensive to all parties involved so once again, the ultimate goal of the city is to resolve these issues through voluntary compliance, if possible. Also note, there are other courses of action available if the violation poses an immediate

risk to health or public safety. Please feel free to contact the Police Department if you have any questions or concerns about any ordinance violation issues.

With all the controversy regarding the \$25 charge by EcoTech for picking up large items, I am sharing this incident as it happened to me within the last month. I had a two-piece leather sectional stored in my garage for the last year, waiting to get someone to haul it off, since I had gotten some new furniture. I was under the impression that if something was taken to the Metro Dump on Merriweather, it was a "free dump." WRONG! There is a flat fee plus so much per pound. It ended up costing me \$140!

Commissioner Eskridge stated at the last meeting he had "too much on his plate" to do City Christmas decorations. Graciously, I said I would do it. I will, along with Kim Bloomer's help, as she is quite talented at making decorations. I have asked our landscapers if they will do the lights and hanging of the wreaths and garlands. Jeff Perry agreed. I truly appreciate this, as this is their busiest season. I have told him there is no specific date they must be done by, and they do not have to do it all at the same time.

I ask for your vote again on November 8th. You can expect the same honesty and integrity that I have always shown our residents and City.

- Jim Lynch, Resident

September 8 Minutes

Commissioner Nichols made a motion to accept the minutes as published. The motion was seconded by Commissioner Renninger and carried unopposed.

Treasurer's Report

John Bloomer presented the Treasurer's Report for September. Commissioner Bohnenkamp made a motion to accept. The motion was seconded by Commissioner Nichols which carried unanimously.

Regarding the audit, all the paperwork has been submitted except for a part that must be signed by our city attorney (at the time, Tammy Baker). A

preliminary report will be provided to Treasurer Bloomer and Mayor McAllister tomorrow.

Warrants

John Bloomer read the warrants for September. Commissioner Renninger made a motion to approve. The motion was seconded by Commissioner Eskridge and carried unanimously.

Police Report

Lieutenant Brian Gingerich reported the following for September:

• Offense reports	5
• Accident reports	1
• Arrests	1
• Traffic stops	6
• Citations issued	4
• Warnings issued	2
• Contacts with other agencies	3
• House watches	11
• Courtesy notices	3
• Directed patrols	0
• Calls for service	42
• License plates confiscated	0
• Motorists assists	2
• Funeral watches	0

September Highlights

- All officers completed KLC recommended monthly training.
- Department supported the City Picnic.
- The five offense reports were for a theft from a vehicle on Woodfield, a theft from Shoe Carnival, an assault of a resident at the Meadows Apartments, a field information of shots fired in the Meadows Apartments, and a theft of services from Chuck E Cheese. LMPD also took a burglary report on Cardwell.
- Sergeant Beahl resigned from the Department.
- Officer Hile has been promoted to Sergeant.
- All Golden Watch residents checked on weekly.
- All businesses in shopping centers checked on daily.
- Explorer is undergoing brake repairs. All other vehicles are in good working order.

Attorney's Report

Attorney Cato will be assisting Treasurer Bloomer in the resolution to the amount sent to collections by AT&T for money allegedly owed by Hurstbourne Acres. Concerning the Puppygram store at Taylorhurst, Attorney Cato needs to discuss the situation with prior attorney, Tammy Baker, before taking any further action.

There have been changes in ownership at the Meadows Apartments including no current manager. Attorney Finn and Mayor McAllister will come up with a new plan concerning the progress of getting the sidewalk built along Blowing Tree Road.

Lastly, the new owners of the property, which was once Schumann Antiques, plans on building an exterior elevator to the structure. However, this construction would encroach on a road (old Powerhouse Lane), and so this road must be legally closed before the owners can continue. Although this road was rerouted years ago and renamed Blowing Tree Road, Louisville Metro still shows it on their records as an active, existing road. After the owners submit the appropriate documentation to Louisville Metro, Louisville Metro then makes a recommendation which is forwarded to Hurstbourne Acres. Our city then creates an ordinance closing the road allowing the owners to continue with the construction of the elevator. Mayor McAllister is working with the owners to get this done as quickly as possible.

EcoTech

Greg Alvey with EcoTech came to the meeting to discuss the hydraulic fluid stains on our city streets caused by their sanitation trucks. The Commission listened to the complaint from resident Jim Lynch and the explanation from EcoTech representative Greg Alvey. Mayor McAllister advised that he would get together individually with Jim Lynch and Greg Alvey to resolve this issue.

Thomas Car Wash

Alex Thomas came to the meeting to discuss the problem with the condition of the ditch at the corner of Taylorsville Road and Hurstbourne Parkway. Although, they have cut it in the past, it is a time consuming and a dangerous job and he wanted to know their options. Mayor McAllister assured him that the land is owned by Louisville Metro and they are responsible for the upkeep. He

has contacted our Metro Louisville District representative to provide our City with a cutting schedule for the ditch.

Edward Jones

Joel Shepherd from Edward Jones outlined the current strategy regarding our City's investments as a result of a current change in the law and the economy.

COMMITTEE REPORTS

Park

Commissioner Eskridge advised there are two events upcoming: leaf pickup and the Holiday Party. The leaf pickup dates are November 7 through 10, November 21 through 24 and December 5 through 8. This information will be included in the next newsletter.

Regarding the Holiday Party, the preliminary date is Sunday, December 11. The Holiday Walk for the homes decorated for the Holiday is also part of the plans for the City.

Sanitation

Commissioner Bohnenkamp said that although Thanksgiving and Christmas are around the corner, there should not be any change to the sanitation pickup schedule.

Streets

Commissioner Nichols said that she continues to look for a Christmas Tree for the entrance to the Park. There was a lengthy discussion about how and what decorations to install for the Holidays. Commissioner Nichols advised that she and resident Kimberly Bloomer will work it out.

Police

Commissioner Renninger reported that there is a problem with exiting the parking lot near the new Modern Vascular business. Specifically, those cars leaving Taylorhurst at that end do not see the stop sign and are disregarding the cars coming down Hurstbourne Lane. It was agreed that a *stop bar* needs to be painted on the pavement at the sign to help prevent accidents. Commissioner Nichols

said that she would contact Hagan Properties to get this done.

Lastly, Commissioner Renninger said that the City, with the last resignation, is down to five officers.

OLD/NEW BUSINESS

Candidates Forum

Following a discussion, it was agreed that the City will once again hold a candidates forum for the upcoming election. The forum is scheduled for October 23 at the City Hall from 2:00 pm to 3:00 pm. It was also decided that the forum will be filmed and made available on YouTube.

Commissioner Eskridge will send a link for the video through Reach Alert.

There being no further business or discussion, Mayor McAllister adjourned the meeting.

Respectfully Submitted,
Michael Bolten, City Clerk

I have lived in Hurstbourne Acres since 1988. I had the distinct honor to serve as your mayor for 24 years and as a commissioner for another two years.

I am the husband of Mary Noreen (Nonie) Fleischer and have been for 45 years. I have four grown children and eight grandchildren. I retired from Labor Works International as CEO in 2020 and am fully retired. I lie about fishing.

I was approached by three current commissioners and one former commissioner to run again for mayor and agreed to do so. During my tenure as Mayor, I increased the police department from one officer to five, received State Certification of our Police Department, reduced taxes to their current rate from 28 mils per hundred down to 14.5, added over \$400,000 to the surplus, testified in Frankfort before the State Senate, was successful in making Hurstbourne Acres a 4th class city, dedicated the City Park to Stan Welch, helped increase the size of the City picnic, initiated the decoration of the city during the holidays, and worked with a multitude of talented and focused commissioners. I am asking for your vote in the November election.

Terry McAllister – Current Mayor

I've been married 26 years to a wonderful wife and mother. I have a son I am proud to say is a police sergeant. I have two beautiful grandkids that I can't say enough about and a stepdaughter that makes me happy to call her *daughter*.

I was elected as City Commissioner for two terms before being elected Mayor in 2018. I have worked tirelessly to secure the rights to install a sidewalk along the one lane area of Blowing Tree Rd. This project will finally happen soon.

In 2019, I worked with our Streets and Lights Commissioner to get all streets repaved. I noticed this spring we were one of the few cities with no potholes. I made the hiring process easier for the Police Chief to obtain good officers. We purchased a third police cruiser, which was desperately needed. My accomplishments go on, but I have a lot more to offer for the future of Hurstbourne Acres.

I am honored to serve the residents of Hurstbourne Acres and I ask for your vote on November 8th.

Thanks!

Kimberly Bloomer

My husband, John, and I have lived in Hurstbourne Acres since 2011. We have two dogs, one cat, and four precious grandchildren.

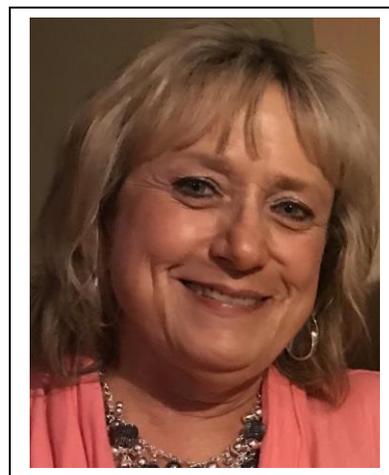

I spent several years as a bookkeeper for various companies, but eventually decided to follow my heart and become a teacher. After teaching for 27 years, I retired from JCPS. Soon after that, I became the editor of the *Hurstbourne Acres Post*. My job has been to gather articles from the Mayor, Commissioners, Police Chief, and City Clerk, compile them into the newsletter, then copy and distribute it to residents. I have occasionally taken photos at city events to include in the newsletter. I also attend city meetings on a regular basis.

Being involved in our city is important and it's something I enjoy. My husband and I built The Little Free Library that's located in Welch Park. I registered our library with The Little Free Library website, and I make sure it stays stocked with books. I support city events and I helped plan alternative Easter Egg Hunts and Trick-or-Treating activities during the COVID-19 crisis so the city's families could still have fun celebrations. I have planned and implemented a craft for children at the picnic and I will do that again this year. I have helped with decorations for the city's entrance signs and I will be giving the greenery a freshening up for this year's holiday season.

If elected as commissioner, I will work with the mayor and other commissioners to serve the residents of Hurstbourne Acres. I would certainly appreciate it if you would vote for *Kimberly Bloomer* in the upcoming election!

Christine Bohnenkamp

Current Commissioner, Sanitation

Many of you know me as the "Trash Lady", a title I am pleased to embrace as we've enjoyed four years of "talking trash together!" Serving our community and our city as a Commissioner during the past term continues to

reward me with a sense of fulfillment and satisfaction as I imagined it would when I decided to pursue the office. It seems remarkable the time has come again to ask for your trust and support to continue my work. As Sanitation Commissioner I feel a sense of accomplishment not only in our successful contract with our vendor, but also with my opportunities to help each of you with your individual situations as they come about. Working directly for you when you need special service, have a missed pick up, or just answering questions, allows me to keep in touch and feel that I am serving you, the residents that elected me and asked me to do so. I am fully retired now from the V.A. hospital as an RN after 25 years; however, time waits for no one. Alongside my husband John, who is still working full time in EMS, we've come to further embrace the City as "our home" and now after 8-plus years on Blowing Tree, it is the answer to the question "...where y'all from?" Finally, I hope to be part of the leadership that attends to our community as we transcend turbulent and changing times within our community and our culture. All of us possess our own abilities to find comfort, strength, and direction, to live a life valuing the community of our City, the Rock of our faith, and the nourishment from the relationships with our neighbors. No matter the outcome of November, I hope everyone can say..."Chris, the Trash Lady, handled my issue, gave me the information in a timely manner, and always did as she promised.

Troy Eskridge

Current Commissioner, Parks and Recreation

My name is Troy Eskridge, and I am running for reelection for Commissioner of Hurstbourne Acres. I have been a teacher for JCPS for 22 years and currently teach Biology at Atherton High School. I moved to this city nearly ten years ago with my wife Kay and daughter Emma. Six years ago, we added our daughter, Julia, to the family. Below are a few of the things I have done in my four terms as Commissioner of Parks and Recreation.

- Developed a safety inspections checklist for the playground based on CPSC handbook, carried out monthly safety inspections, and maintained records quarterly.
- Worked with residents and business owners to successfully plan and organize our City Picnic, City Yard Sale, Easter Egg Hunt, and Holiday Party.
- Planned and implemented additional recreational activities, including a City Holiday Party.
- Planned and implemented the Re-tree Hurstbourne Acres project. This included writing a grant to get twenty trees donated to the park and residents of this community, which saved the city thousands of dollars in taxpayer expenses.
- Successfully managed park issues that include electrical and plumbing problems, tree loss/damage due to storms, and damage to picnic tables.
- Worked with vendors and residents to install new playground facilities.

The list above provides a few of the reasons why I am asking for your support in my campaign for City of Hurstbourne Acres Commissioner. Contact me and I will be happy to send additional information about my platform, as well as facts about the issues that make this election so important.

Donna Nichols

Current Commissioner, Streets and Lights

I have lived in Hurstbourne Acres for 30+ years. I have always enjoyed living in our city and have seen many changes! I retired from Baptist Hospital East as Director of Patient Services. As a dog lover, I worked part time for a

veterinarian and then for a funeral home.

I was the first WOMAN elected as Commissioner, and trust me, I was "steam rolled" my first term by my male colleagues! I do not give up easily and continue to persevere, as I have strong beliefs in integrity and getting the job done for the betterment of our city and its residents. I am running for my 5th, nonconsecutive term as commissioner. Hopefully, you have been pleased with the projects I have overseen and tried to accomplish.

Most of my time as Commissioner was spent with our previous Mayor, Sean Fore. When there was a project to be completed, he had the trust in you to complete it, but he was always available for questions, ideas and as sounding board. This worked both ways,

Some of the major projects I have overseen are:

- Repaving our streets twice. Painting and striping were done also done, when needed.
- Replacing street signs and the wooden park sign with the black and gold signs and replacing existing signs with reflective ones as required by the state.
- Removing speed bumps on Cardwell Way and Blowing Tree as requested by the majority of residents on those streets.
- Replacing all shrubs at our two residential entrances. Our previous Mayor, Sean Fore, and I wanted something different with some color! We worked well with the landscaper and their ideas, and all agreed on what was chosen. The Bunsen sign has also been newly landscaped.
- Sent flowers for any residents who passed away. (Please notify me if you hear about a resident's death.)

I want only the best for our city and its residents. I encourage residents' input regarding any concerns. I hope you will honor me by voting for me again this November.

Teresa Renninger
Current Commissioner, Police

Family: My husband Bill of 45 years.
Children: Brent, Chris and Erin, Nick and Katie
Grandchild: three granddaughters Penny, Valerie and Emery
I've been a resident of Hurstbourne Acres since 1984.

I have been a city commissioner since 2009. During this time, I have overseen Sanitation and currently, the Police Department. In this time, we have increased our police coverage to seven officers who work three shifts. It has been my pleasure to hire such a fine group of officers who do their best for this city every shift they work.

Our very successful Golden Watch Program was created under my guidance. This program focuses on our elderly citizens, a population that previously illustrated a care gap within our community.

The ABC program is the licensing aspect of our businesses that sell alcohol. When I first became involved with our city, we were classified as a fifth-class city. By reclassifying as a fourth class/home rule city with my full support, we became able to collect these local ABC licensing fees that had previously gone to Metro government. I pride myself in working with all aspects of our city government and doing my best to assist any of our residents when they call on me.

Professionalism, Integrity and Dependability are the things I wish to continue to bring to the City of Hurstbourne Acres. Please vote for Teresa Renninger on November 8, 2022.

Tom Theiss

I live at 9013 Haviland Avenue with my wife Peggy and our mini-golden, Lizzy. We moved to Hurstbourne Acres in 2001 and have enjoyed every minute since.

I enjoy kayaking, walking our dog, biking, and most sports. I graduated from the University of Louisville, with a B.S in Business Management. I was in the U.S. Navy and have recently retired from UPS. While in the Navy I was selected to be a part of the commissioning crew of the USS Laboon DDG58. During this time, I verified the installation of Combat Systems and held Defense Contractors accountable. I was also selected to be a Division Commander at Recruit Training Command (Boot Camp).

I worked for UPS at Worldport in the Plant Engineering Department, holding many positions that entailed working with local vendors, ensuring accuracy of electrical and mechanical projects. I performed numerous volunteer projects with UPS, to include building handicap ramps, helping rehab homeless shelters, fundraising for Metro United Way, etc.

Honesty, Dependability and Teamwork are values I want to bring to the position, along with total Transparency. I would truly appreciate the opportunity to work for our citizens. Please vote, **Thomas Theiss** for Hurstbourne Acres Commissioner.
